

Mr Alan Dover
Head of Planning
East Cambs District Council
The Grange

Dear Mr Dover,

Re Planning Application 05/01116/0UM Mereham.

Please be advised that I am completely opposed to the above plan and urge East Cambs District Council to reject the application. The Plan will destroy the local area and tear apart the villages that have been loved for many centuries. The Infrastructure cannot cope, crime will increase, the roads will jam and the residents do not want it. Future generations will never forgive any official/elected Member who does not reject this application and finish with the idea once and for all. I wish this letter to be bought to the attention of the appointed Councillors.

Yours sincerely,
